

CLASS 18 | LOCATOR LOG

Worksheets

- **TBH Locator Log Booklet.** The TBH Locator Log booklet can be given to attendees to create their own personal locator log. Print and assemble booklets so that you have enough for each member of the class. Keep in mind that the booklets are designed to print two-sided and in color.

Prior to the class, print out and assemble a booklet that you then fill in as a sample TBH Locator Log to share with the group.
